Resort Summary

The biggest celebration in Cedar Point’s history is about to hit the Lake Erie shoreline in 2020 as the second-oldest amusement park in North America commemorates its 150th anniversary! All season, the park will honor its past while embracing the future, providing the same family fun that has entertained generations and shaped the amusement park industry for decades. Cedar Point is A Place Like No Other™ and is home to 70 rides, including 18 world-class roller coasters, the Cedar Point Shores Waterpark, a mile-long beach, marinas, hotels and more. Cedar Point has been named the “Best Amusement Park in the USA” in the USA TODAY 10 Best Readers’ Choice Awards. The Company owns and operates 11 amusement parks, four outdoor water parks, one indoor water park and resort accommodations totaling 2,300 rooms and 600 luxury RV sites. With a valid Cedar Point ID, associates can access the Sandusky Transit System free of charge for transportation to and from the Associate Housing Campus, as well as personal use for shopping, dining, and entertainment. Plus Cedar Point’s own bus will provide transportation from associate housing to the park. Since Sandusky is mostly rural and walking or bicycling can be challenging (limited sidewalks & paths are in place) our bus system is the safest mode of transportation. A digital route map can be viewed on the Associate Life Portal or a printed copy can be picked up at Human Resources & the Housing Office.
